

# Advanced Topics in AI Introduction

Instructor: Prof. Dr. techn. Wolfgang Nejdl

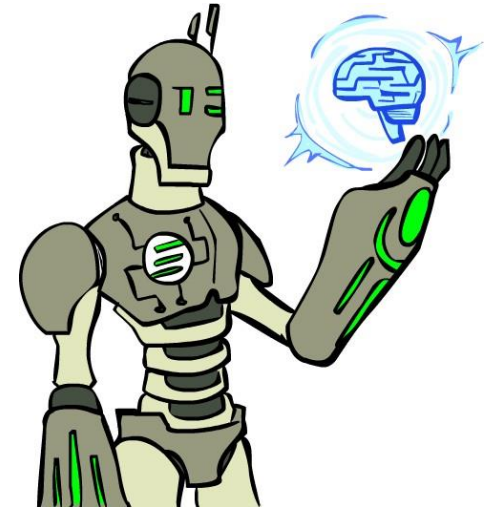

Leibniz University Hannover

[These slides were created by Dan Klein and Pieter Abbeel for CS188 Intro to AI at UC Berkeley. All CS188 materials are available at <http://ai.berkeley.edu>.]

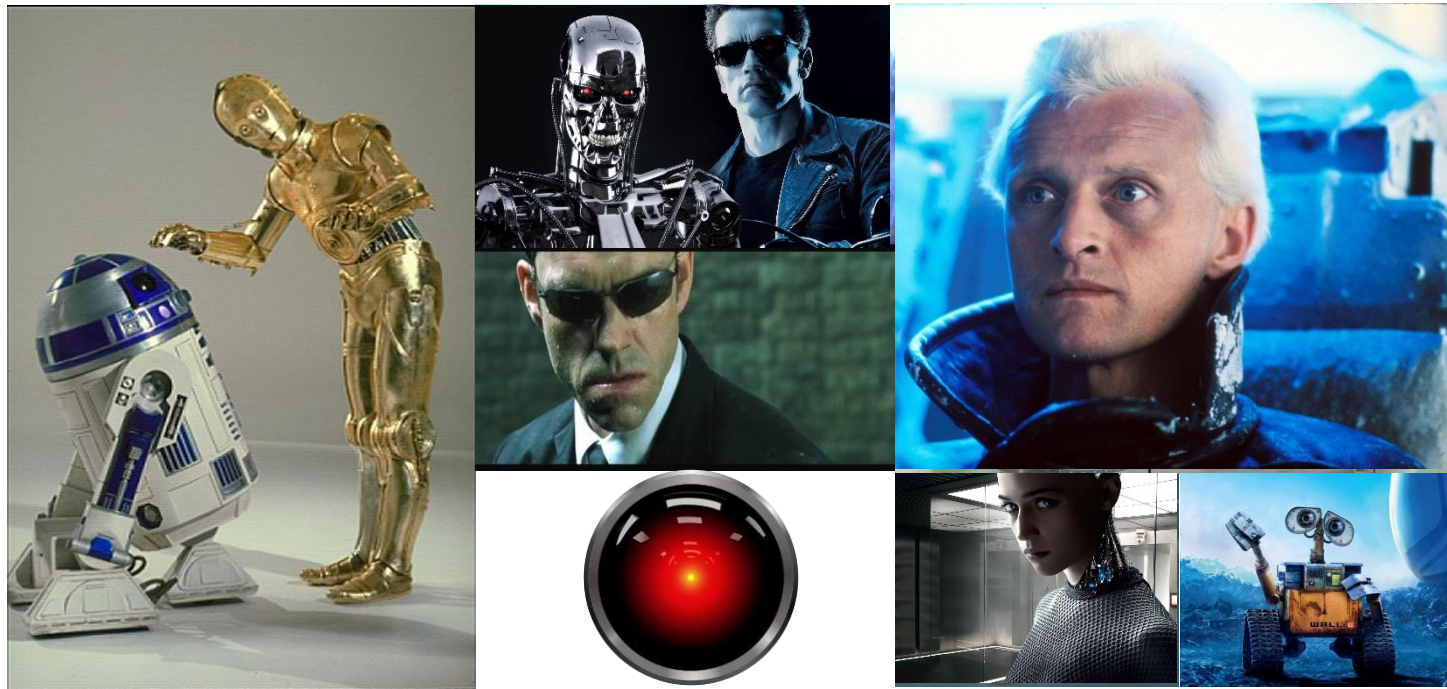

# This Unit

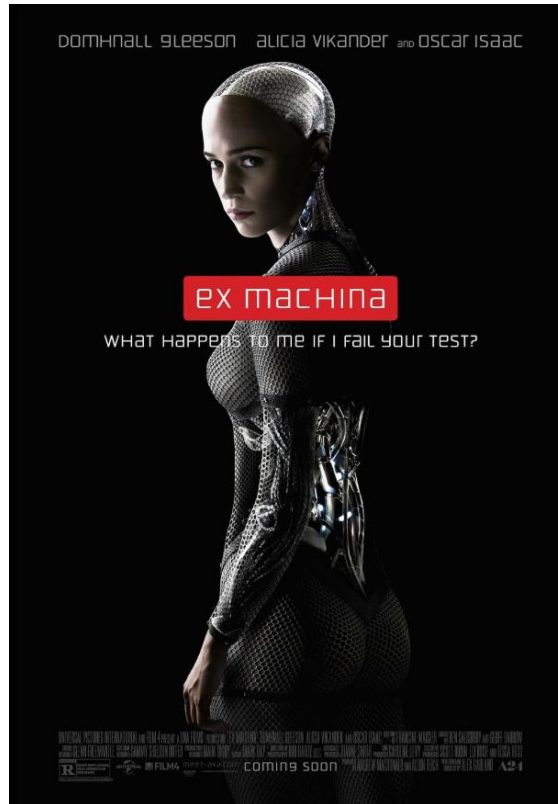

- What is artificial intelligence?
- What can AI do?
  - What should we worry about?
  - What can we do about those things?
  - What should we not worry about?
- What is this course?

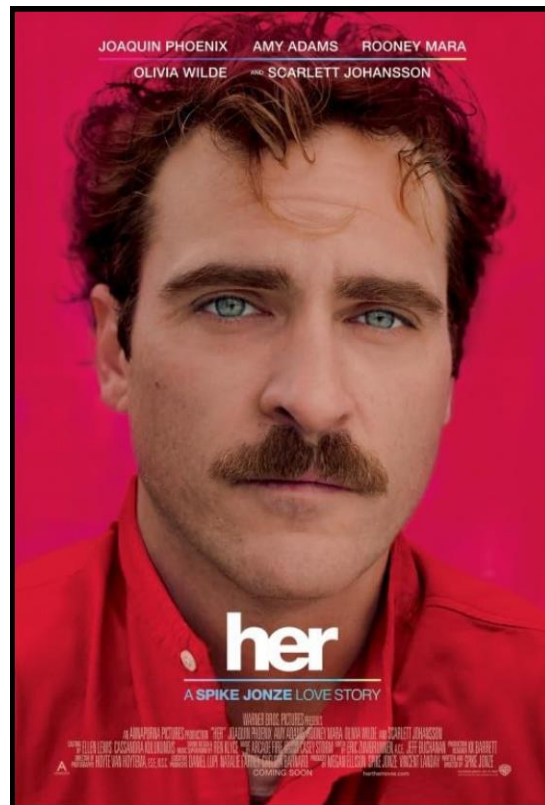

# Sci-Fi AI?

# Ex Machina, 2014

# Her, 2013

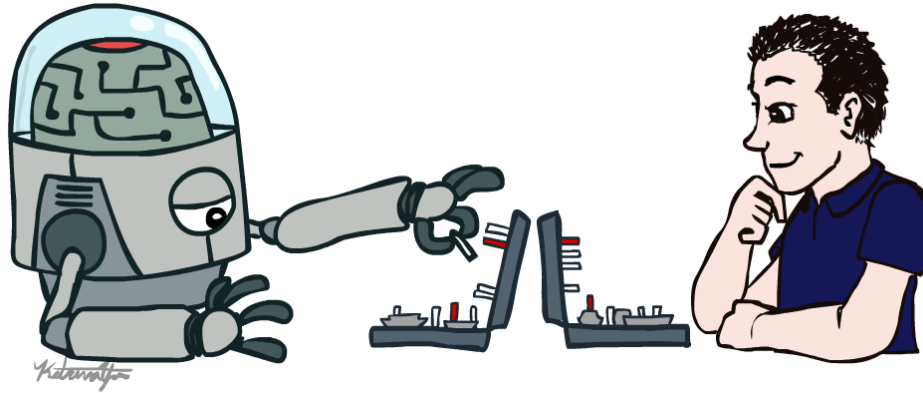

# Real-World AI?

# Advanced Topics in AI

## Next: What is AI?

Instructor: Prof. Dr. techn. Wolfgang Nejdl

Leibniz University Hannover
